Shelf Life 48 months unopened.
Store indoors at 4.5°C (40°F) to 38°C (100°F).

PRODUCT DESCRIPTION

NBC ALKYD THINNER optimizes the flow and application of various alkyd products while efficiently thins coatings for easier spraying or brushing. Additionally, it serves as a heavy-duty equipment cleaner for pumps, brushes, and tools, effectively removing residue both before and after painting projects.

INTENDED USE

This solvent thins alkyd paints to make them easier to apply. It also works great as a cleaner to wash paint off power tools and equipment.

ADDITIONAL NOTES

The product is for professional use only. Personnel shall be trained, experienced, and use the equipment to mix/stir well and apply the product properly. Applicators shall use appropriate personal protection equipment when using this product. Always comply with New Belmont Coatings LLC technical data.
